RESPONSE TO THE RESTRICTION/ELECTION REQUIREMENT

Dear Sir:

This is in response to the Restriction/Election Requirement mailed March 27, 2002.

Applicant hereby elects infectious disease, and particularly infectious disease that is influenza virus, for substantive examination.

This election is made on the understanding that, upon the finding of an allowable species, examination will continue with the non-elected species until all species have been examined or a non-allowable species is found.

It is respectfully submitted that this application is in condition for substantive examination, which action is respectfully requested.

Respectfully submitted,

Kenneth D. Sibley
